Here's the briefing sheet we used for the TCEQ mtg which includes the CSAPR addendum. I will look for prior briefing sheets that may or may not have had additional discussion, but wanted to get this to you as a starting spot.

Subject: briefing materials

Jennifer – Please find and send.

There was a long version of the Texas RH briefing sheet that had a bunch of background on CSAPR that Dan inserted. I need to pull together some talking points on CSAPR developments and I think that would be helpful.

Thanks
